SAILLAT MILL FRANCE

CHAIN OF CUSTODY
FSC BV-COC-117918
PEFC BV/CdC/03-00031

ISO 9001- ISO 14001 - OHSAS 18001 - ISO 9706

NATURAL RESOURCES

FOREST GROWTH

Annual forest growth rate in France: **+0,3%**
+48 000 ha
(more than 4 times the size of Paris city)

Annual forest growth rate worldwide: **-0,14%**

*Source fao.org, 2005-2010 annual forest growth rate

SUSTAINABLE PROCUREMENT

100% of wood comes from controlled sources (Saillat is FSC® and PEFC chain of custody)

68% of purchased wood is PEFC / FSC® certified

The **CBB** (Comptoir des Bois de Brive) is a subsidiary of International Paper dedicated to local wood sourcing and forest harvesting.

The **CBB** works in close collaboration with forest owners to promote sustainable management.

SAILLAT MILL
