

CKB™

- Carton board - one sided kraft lined
- Fully coated multilayer kraft back board with a double coated white top side and kraft reverse
- Exceptional stiffness and strength, CKB is an ideal food packaging material for folding cartons
- Suitable for a wide variety of uses such as dry, chilled and frozen food, chocolate, wine and spirits
- Impressive tear, stacking strength and folding endurance makes it suitable for use with cut-outs, handles and taps
- Excellent printability, convertibility and material efficiency
- Made of food-safe, pure renewable virgin fibre
- Suitable for offset, flexo, digital inkjet, dry or liquid toner technologies
