

CrownBoard Craft™

- State-of-the-art, climate-smart cartonboard, built up in multiple layers and made of 100% pure and strong primary Nordic wood fibre
- Engineered to offer an extremely strong and durable packaging material
- High strength ensures superior efficiency/productivity in converting processes
- Great versatility in terms of applications, and lightweighting opportunities
- White, fully coated top side and a naturally brown reverse which accentuates the strength
- Top side offers quality printability to match most all-white boards
- The naturally brown reverse side opens up for additional design possibilities and the white fully-coated top side offers high quality printability
- Manufactured using 100% primary wood fibres
- Suitable for all types of printing, varnish & film lamination
- Produced in Sweden
