

Declaration of Compliance with the EU General Data Protection Regulation (GDPR)

Elliott Baxter recognises the need to comply with the GDPR and ensures that effective measures are in place to protect the personal data of our customers, employees and other interested parties.

As part of meeting our legal obligations, an information security policy is available and will be communicated within the organisation and to all relevant interested third parties.

A risk management approach and process will be used which is in line with the requirements and recommendations of the GDPR. Elliott Baxter also holds ISO 14001, ISO 9001 and ISO 50001 to demonstrate our commitment to continuous improvement.

We would encourage all employees and interested parties in Elliott Baxter to ensure that they play their part in complying with the GDPR at all times and in delivering our information security objectives. There is sufficient provision of appropriate resources to establish and develop effective information security controls.

We will also ensure there is a regular review of our GDPR Policy to ensure that information security objectives are being met.
